

# WorkMentor Piloting

# 2 possibilities

With apprenticeship  
masters

With tutors  
in further education

# Apprenticeship masters

- Opportunity : training proposed by the region « Pays de la Loire » which funds the apprenticeship
- This training is not compulsory, but recommended
- Is provided by trainers from our institution
- 3 days not consecutive in January, February or March

# Apprenticeship masters

- Farmers, gardeners, farming equipment conductors
- Level 3, 4 or 5
- Groups of 10/12 persons
- 1<sup>st</sup> advantage : they have chosen to participate
- 2<sup>nd</sup> advantage : the objectives of the training are the same

# Tutors in further education

- Food processing industry
- Level 3
- Tutor  $\neq$  mentor
- Difficulties to get them together
